Fire Chief Warns Carelessness Will Draw Penalties

Grass Fires Costly to Men Who Leave Work to Give Services

Fire Chief Cletus Vos warned that if residents of this region are not more careful with fire that has caused so many costly grass fires he will take steps to make the careless persons responsible for any damage which may be done.

"About 14 or 16 men leave their work every time some housewife or other person starts a grass fire through carelessness in burning trash and rubbish," he said.

"We have had four of these fires as the result of carelessness this week," he explained.

Vos says the expense in connection with these fires is terrific.

"Think of the cost of time of these men who leave their jobs for an hour or two, the cost of running the equipment through the fields, the time to clean the hose and other equipment, it doesn't pay to be careless with fire when dry weather has made it so dangerous," he admonished.

Fires this week were:

Grass fire at Nabor property on Tiffany rd. at 2 p. m. Friday.

Grass fire at Loon Lake, 11 a. m. Tuesday; and again at 11:30 a. m. Wednesday. No damage was done at any of the grass fires.

The committee will hold a special meeting this evening to make plans for the dance to be held at the new Regal China Co., building on North Ave., Sept. 14.

Gov. Green to Speak at G. O. P. Rally and Picnic Sun., Sept. 8

County, State Candidates to Appear for Opening of Campaign

Governor Dwight H. Green, Senator C. Wayland Brooks, William G. Stratton, candidate for congressman-at-large, Richard Yates Rowe, candidate for state treasurer, and Vernon Nichols, candidate for superintendent of public instruction will all be speakers at the G. O. P. rally and picnic to be held Sunday at the Serbian Monastery grounds, route 63, two miles north of Libertyville.

The picnic opens the campaign which will be climaxed when electors go to the polls on November 5, and all county candidates will attend. In addition to speeches by eminent political figures of the state, the program will include free ice cream and sandwiches, games for youngsters, a soft ball game, races, tug-of-war, and dancing from 9 to 12 in the evening.

The announcement, given out by the Lake County Republican Central Committee, sponsors of the event, states that "there is an event no one in Lake County can afford to miss. Enjoy a delightful day under the trees. Join with your fellow Republicans and renew old friendships—make new friends. Hear vital issues of the day discussed by notable speakers."

All-Star Softball Game Between Abbott's and Antioch to Be Played

An all-star softball game is scheduled for Friday evening at 8 o'clock at the Antioch High school diamond. Abbott Laboratories of North Chicago, winners of the Waukegan championship and runners-up in the Lake county contest, will meet the stars of a combined Antioch Legion and Grayslake team of the softball league.

The game is sponsored by the Antioch American Legion and Lake Region Softball league, and an admission fee of 60 cents including tax will be charged.

Antioch Legion Assists at Installation in Grayslake

The Antioch Legion drum corps participated in the ceremonies during which new officers were installed by the Grayslake American Legion Tuesday evening.

District officers installed the leaders of the post at Lake Bluff and then went to Grayslake where they were joined by Douglass Getchell, senior vice-commander for Illinois in installing the officers in his home chapter.

Lake Villa Township Assessment Roll Is Published in This Issue

The assessment roll for the Town of Lake Villa, as fixed by the Assessor, appears on page 7 of today's issue of the Antioch News. Every resident of the Town of Lake Villa, which includes the Village of Lake Villa should make it a point to check up on the amount of his assessment.

Any property owner who objects to the amount of his valuation should file a formal complaint with the Board of Review within 10 days from the date of publication of this assessment roll, according to Gustaf H. Fredbeck, County Treasurer.

Rescue Squad Fund Gifts Received In Good Amounts

No Totals Available, But Several \$100 Gifts Have Been Made

Contributions to the Rescue Squad Sinking fund, some as high as \$100 are being made during the outset of the Lions club campaign.

No figures are available on the total but gifts are coming in at a good rate, members of the committee said.

A substantial contribution was made this week by Felter's association which, in appreciation of the service of the squad, made individual and group gifts totaling \$133.

One Lions club committee member explained that the money the club expected to give from receipts of the carnival found go to the sustaining fund, but gifts of the campaign would go to the sinking fund. A partial list of contributors follows:

M. V. Reynolds
Mr. and Mrs. Albert Shepard
E. K. Hart
Wilhelm Kumbst
C. K. Anderson
Fred Warner
Rudy's Tavern
Emil Johnson
Max Heep
O. R. Kresse
Glen H. Burt
C. A. Westling
Robert V. & Marion Simek
Margaret Perkins

Fall Fashion Revue of Lake Villa Methodists Was Complete Success

The Fall Fashion review presented by the Halcyon Group of the Lake Villa Methodist church at the Lake Villa gym., on Wednesday, August 28, was a very successful and entertaining event.

The stage was beautifully decorated with baskets of flowers. The latest fashions in women's and girls clothing was shown.

They were gracefully modeled by both the professional and local models. One local model was especially good and practically stole the show, Miss Jacklyn Martin showing what the well dressed young miss will wear this fall.

A very interesting part of the show was the modeling of old-fashioned dresses, showing the contrast between the 1946 styles and those of 1846 or before. These were all very good. The \$5.00 award for the oldest dress was given to Mrs. Lillian Bieser of Lake Villa. Her dress was brought over from Ireland and has been in her family for five generations.

Music for the show was furnished by Mrs. Grace Timmersmann at the Solovox and soloists were Miss Emily Tschappat and Ray Pierson.

Lake Villa Club Realizes More than \$1,000 from Auction and Festival

More than \$1,000 was raised by the Lake Villa Community Men's club from the auction and festival last Saturday evening.

The attendance was small during the afternoon but the night crowd made up for it. The money was realized from gifts of merchandise from businessmen and individuals in Lake Villa, Antioch, Waukegan which were auctioned.

The fund will be used to carry on the program of activities for the young people of the village during the coming year.

Renee Swaine, of Chicago, is the guest of Dean Williams, at the home of his mother, Mrs. Lillian Hand, this week.

Classes Started for 540 in Both Antioch Schools

Slight Increases Recorded in Both High and Grade Schools

Approximately 540 school children are back in the school rooms of the Antioch Township High school and the grade school this week following their summer vacation.

The high school had a few more than the anticipated 280 students according to T. R. Birkhead, principal, and the grade school has an enrollment of 256, Principal Richard Whitacre said.

It is expected that a few will enroll later bringing both totals up slightly. The grade school enrollment is 13 more than at the same time last year.

There are five new members on the staff this year. They are:

Jeanette Darrough, of Sheldon, Ill., who will teach social sciences. Miss Darrough is a resident of Sheldon, Ill., and has a master of arts degree from the University of Illinois.

Miss Narcissus Donovan, of Cerro Gordo, Ill., will teach girls' physical education and commerce. She received her bachelor of education degree from Illinois State Normal university this year.

Miss Ramona Lubejko, of Chicago, will be librarian and teach Spanish. She received her bachelor of arts degree from the University of Illinois this year.

Richard Paynic, of Wood River, Ill., will teach commerce and serve as assistant coach. He has a bachelor of education degree from Illinois State Normal university.

Miss Theresa Wehr, of Hammond, Ind., who has a master of arts degree from Columbia university, will teach English and Latin.

Other members of the faculty are: T. R. Birkhead, principal and instructor in advanced mathematics; Miss Ethel Dixon, home economics; Miss May Hartley, mathematics; Miss Jean Krueger, English and chemistry; Maurice Kruzan, biology, boys' physical education and coach; C. L. Kutil, agriculture; M. M. Stillson, industrial arts; Hans Von Holweide, band, chorus, music instruction; Miss Adele Miller, secretary; Mrs. Eva Burnette, cafeteria manager; Mrs. Gertrude Sass and Mrs. Madeline Heuerman, cafeteria assistants; C. E. Cunningham and John Harms, custodians and Dr. R. D. Williams, school physician.

Principal Birkhead said all of the teachers now employed are qualified under the regulations of the North Central Association of Secondary School and Colleges, the University of Illinois, and state superintendent of public instruction.

R. C. Ashby to Discuss Livestock Outlook at Grayslake Farm Meet

R. C. Ashby, professor and chief in livestock marketing at the University of Illinois College of Agriculture, will head the discussion leaders at the Lake County Livestock outlook meeting arranged for you by Otto Metzler, chairman of the Lake County Farm Bureau livestock marketing committee, and Ray T. Nichols, County Farm Adviser.

The meeting which is open to all Lake County farmers, will be held in the Farm Bureau hall on Tuesday evening, Sept. 10, starting at 8 p. m.

Four Building Permits Granted By Board for Dwellings, Improvements

Several building permits were given by the board of trustees in its meeting Tuesday night.

Dr. A. N. Berke was given a permit to remodel his property on Orchard street at a cost of \$4,000. The building comprises two apartments.

Walter Scott, trustee, was given a permit to build a cottage of three rooms and bath on Parkway.

Earl Gibbs has purchased a one-room school building at Richmond and will move it to Spafford street. His permit provides for a remodeling of the building which is 33 x 21 feet in dimension and add a room on the back to make a four-room dwelling.

John Lippert on North Main street obtained a permit to build an addition to the end of his garage.

7-Year-Old Boy Shows Way to Give to Rescue Squad

A seven-year-old boy came to the Rescue squad booth at the Lions carnival last week and after asking numerous questions about the equipment on display and the drive for funds said:

"That sounds like a good idea. Now I only have 14 cents but I could donate five cents of it, couldn't I?"

F. J. Bud Arnold, member of the committee, said the donation was taken care of in the same way as the ones amounting high in the dollars and the boy got his receipt.

In George Simpson of River Forest, Ill., the boy, a spirit was manifest that if displayed by everyone in the Antioch area the fund would reach undreamed of figures.

Professional to Show How to Pitch Ringers in Exhibition Sunday

A man who can throw 72 horse-shoe ringers in 100 attempts and can do it consistently throughout the year, will give an exhibition at 3 p. m. Sunday at the Antioch Township High school grounds.

He is John Lindmeier, of Chicago, boyhood friend of Vern Heath, who is bringing him here to interest local people in the game.

Lindmeier was national amateur horse-shoe champion in 1941-42, and paired with Dorn Woodhouse to take the double championship in 1940-41-42. He was second in the state contest at Springfield last week.

Lindmeier became professional when the leagues in Chicago which were suddenly classified professional, offered cash prizes in amateur play. He learned the game while he and Heath lived at Oak Park.

Persons who have never even had a horse shoe in their hands are invited to come to the exhibition Sunday and Lindmeier will show them how to hold the shoe, pitch and control it. There will be no admission fee.

The courts have been built by Principal T. R. Birkhead and Heath and are available to local fans.

4-H Judging Teams to Go to State Contest at Urbana, Ill. Saturday

Four members of the Antioch 4-H club will take part in the state judging contest at Urbana Saturday.

Raymond Toft will take part in the dairy cattle judging and Warren Wells, Russell Myers and Robert Hughs will participate in fat stock judging.

The poultry judging team will be made up of George Connel, Jr., Marjorie MacGregor, Nuddy MacGregor, Bethsebe Lou Hoskin and Donald Davis, of North Prairie club and John Ray, of Newport.

The teams were selected from the six highest scoring contestants in the county contest.

Asks Small Fire Staff to Reduce Insurance Costs

President Bartlett Contends Compensation Premiums Are Too High

A recommendation that the Antioch fire department reclassify its membership to actives and reserves so that the village can pare its workmen's compensation insurance premium which he considers too much, was made to the village board Tuesday evening by President George B. Bartlett.

Based on a \$300 minimum wage, the premium amounts to \$138. This is more than all of the rest of the city employees combined, for the total this year was \$263.70.

President Bartlett said that 31 men are on the fire department squad and if that number could be reduced to those most active in the work and compensation carried on their own, and the rest retained as a reserve, much could be saved the village.

The board of trustees gave a contract to the Speelman Elevated Tank Service Co. of Rockford, Ill., for painting the water tower on their bid of \$734. That company had first given a price of \$860 but made a reduction because it had its equipment in this vicinity.

The tank will be given two coats of aluminum paint, and the stand one coat. The interior will be painted with a special preparation down to the water line. The work will be started in three weeks.

The board turned over to Charles N. Ackerman the job of obtaining a surveyor to provide a description to the ground he plans to turn over to the village for Victoria street.

Dr. G. W. Jensen asked the village board to establish the village limits at the southwest corner where Rte. 173 bisects so that he can build a road on his property. He had in mind placing the road on the line, but was advised not to do so because of future handicaps in installing utilities if the area were subdivided.

This was brought quite forcefully to the attention of the board in the case of North avenue where property owners on the south side must stand the expense of water and sewage. A bid of \$5,400 alone for a six-inch water main was filed Tuesday evening.

The board figured that the cost of both water and sewage mains would be approximately \$10,000 for the 1,800 feet of improvement.

Rivalry Tense For Boat Races Sept. 15

The Commodore regatta climax to boat racing in the Chain O' Lakes area, will be staged at the Bohemia Yacht club Sunday, Sept. 15, it was announced today.

Although all classes will run that afternoon the main interest centers on the rivalry of Mel Buclow's "Chickie" and Gus Gunstrom's "Viking."

The "Viking" was bested a week ago Sunday by the "Chickie" after it had been king of the waters in this region for two years. It died in the second race after having won the first race through an error of the "Chickie" driver.

But the interest is not limited to the battle between those two. Commodore Zender and Bert Bliss have combined their efforts in a 175 h. p. Lycoming which is said to have attained a speed in excess of 50 m. p. h. in practice runs during the week. This may be enough to nose out both the "Viking" and the "Chickie". This boat will be known as the "Hex-2" and should be watched.

Many of the outboard motor boats that have shown so well in recent races will be back for this event.

Year's Officers Chosen by Felter's Association; Give to Rescue Fund

Richard Ohlgren will head Felter's association at Lake Catherine as the result of the election at the annual meeting last Sunday in the South Park of Felter's subdivision.

Other officers selected at this time were Richard Krueger, vice-president; Harold E. Wilson, secretary, James F. Smutney, treasurer.

The members voted unanimously to contribute \$75 to the Antioch Rescue Squad fund and the Women's auxiliary contributed an additional \$25. At the close of the meeting the members made individual donations to the extent of \$33, bringing the total contribution to \$133.

Inflation Not Number 1 Problem

Controlling inflation is not the nation's number one problem. The number one problem is how to preserve representative government in the face of inflation. It may be impossible to control inflation due to natural forces over which the people have no control. It is possible to preserve representative government because that is a political question and political questions are clearly within the power of the people to decide.

The argument is often heard that unless inflation is controlled, the resulting chaos will automatically destroy freedom, and history is called upon to support such an argument. But in answer to this it can be said that there has never been another nation in history like the United States. Her people are highly literate, closely integrated by modern communication and transportation, and well informed on the problems of the day. They have been taught almost from the cradle that their heritage of independence is their most valued possession. Nothing can take this heritage away from them. If it is lost, they alone must lose it. If they permit it to be lost in the turmoil of transitory economic upsets, they deserve to lose it. But they should realize now that the suffering of inflation will be as nothing compared to the suffering of political tyranny once it has a secure hold upon their lives.

No, inflation is not the nation's number one problem.

* * *

The Catch is Human Nature

Usually when people are forced into doing what they do not want to do, or think they cannot do, or when natural laws are contravened by man-made laws, the reaction is incalculable. Compulsory health insurance is one of these instances. If it is adopted, the financial cost may boomerang in unexpected ways against the millions it was designed to protect. For example, it is proposed that half the cost of government-controlled medical care be borne by employers who would be taxed an amount equal to the medical care payroll deduction of the employee. This sounds good to the worker but many economists believe that such a

levy against employers would so upset the economic system that, in the end, the worker would have to pay both his own and his employer's share.

According to an authority who has spent fifteen years studying the actual working of compulsory health insurance in various countries, "this might happen in any one of a number of ways. The price of goods might go up, and his (the worker's) wages buy less. The employer might substitute machinery for some workers, and cut production to lay off others. Unemployment would result, and a wage cut would follow. Certain economists contend that the resulting wage plus the employer's tax would just equal the former wage. If such a contention is true, the worker will have to decide whether health insurance is worth 6 per cent of his income to him. That is almost half again as much as he now pays—on the average—for medical attention."

It is the old story. You can't get something for nothing.

* * *

The Beginning of Civilization?

The State Department has drawn up an American proposal for international atomic control to be submitted to the United Nations, which is encouraging. The proposal is based upon a report written for the State Department by a committee of leading scientists and business men who literally worked night and day for two months as practical men trying to find a solution to a practical problem.

Life magazine sums up their efforts in the following words: "Their answer—sensibly recognizes that not even the atom can frighten nations into mutual trust. So—the report would set up an Atomic Development Authority which would work toward full international control by stages, none of them irreversible. In effect the U. S. would share its atomic secrets with the ADA only as fast as Russia and other countries give ADA personnel the right to free entry and inspection of all atomic facilities. The ADA would gradually take title to all uranium deposits and processing plants and would also build them in other countries. But it would do this on such a schedule that at every step 'any nation such as the U. S. will still be in a relatively secure position, compared to any other nation.'"

"An important fact turned up by the committee is that fissionable material can be 'denatured,' i. e., rendered useless for explosives while useful for peaceful applications. The ADA would distribute only denatured plutonium among member countries. To turn this into the dangerous variety can only be done by a difficult and hard-to-conceal process."

If mankind can adjust itself constructively to the atomic age it will for the first time be justified in applying the term "civilization" to its collective endeavors.

and friends. For the present the young couple will make their home with the groom's parents.

Three cars filled with Boy Scouts, accompanied by their leader, David Schrum, and Harry Paval, enjoyed a trip to Riverview Park last Friday evening and needless to say the boys enjoyed every minute of the time.

A number of the ladies of the W. S. C. S. met at the church kitchen last week and did canning for the Lake Bluff Orphanage.

The Royal Neighbors Officers' club will hold its September public card party on Wednesday afternoon, Sept. 11, with Mrs. L. J. Tweed at her home at Monaville, and Mrs. Lulu Nelson will be co-hostess. Pinochle, bridge, 500 and bunco will be played and there will be prizes and refreshments.

Edward Langhein enjoyed a vacation from his work at the Johnson motor plant last week and he and his wife spent a couple of days in Chicago.

Mrs. Anna Pierce of Chicago has been the guest of her niece, Mrs. Frank Hamlin, for the past two weeks.

Mr. and Mrs. Russell Nickerson, Ronnie and Gene attended the ball game in Chicago last Thursday.

Mrs. Traver Ellis and sons of Belvidere, Ill., spent last week with her parents, Mr. and Mrs. B. J. Hooper, and Mr. Ellis joined them at the end of the week.

Mrs. Ring is at her home recovering from surgery and is doing nicely.

ADEQUATE WIRING*

You'll probably want every one of these appliances in the new home you are building... but, unless you plan now for adequate wiring, you won't be able to enjoy them!

The best time to get adequate wiring is during the period of construction. That's why it is important to check with your contractor to be sure the wiring plans for your new home are adequate before you start to build. When you get adequate wiring you avoid unsightly extension cords, dimming lights, and "loafing" appliances.

With adequate wiring you'll have circuits enough to supply abundant electric-

ity for all your present appliances as well as for those soon coming your way. And, you'll have plenty of convenience outlets where you can "plug them in."

Be sure to plan now to have adequate wiring in your new home. Our Home Building representative will be glad to help you plan so you will have adequate wiring in your home, or you can consult your electric contractor.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

SOCIETY EVENTS

DOTTIE WILTON HONORED GUEST AT SHOWER

Miss Dottie Wilton was honored guest at a miscellaneous shower, dinner party, given by Mrs. Howard Hegeman and Mrs. H. Bothe, Jr., at the home of Mr. and Mrs. John Otte-dahl Thursday evening. Fifteen guests were present. Miss Wilton received many useful and beautiful gifts from the group. Miss Wilton, daughter of Mrs. E. M. Wilton, of Antioch, will become the bride of George Schmidt, son of Mrs. Frieda Schmidt, of Lake Villa, Saturday, Sept. 7.

R. H. COBB MARRIED IN MISSISSIPPI

Mr. and Mrs. M. E. Cobb announce the marriage of their son, Raymond Harry to Miss Maxine Nunnery, daughter of the late M. N. Nunnery, of Memphis, Tennessee, Monday, August 26 at Hernando, Mississippi. A reception for a number of guests was held Saturday, August 31 at Cobb's Camp at Lake Marie.

ANNOUNCE ENGAGEMENT OF DAUGHTER

Mrs. J. Fred Lynn, of Cedar Crest Farm, Lake Villa, announces the engagement of her daughter, Mary Kay to Mr. Richard A. Wieboldt, son of Mr. and Mrs. Elmer F. Wieboldt, of Cove Creek Farm, North Garden, Virginia. Both families are former residents of Glenview, Illinois.

Mrs. Robert Wilton spent Thursday in Chicago.

MISS PATROVSKY HOSTESS AT OUT-DOOR PARTY

Miss Gloria Patrovsky was hostess to twenty friends of Evanston and Lake Forest at an out-door barbecue and swimming party at her home on north Main street Monday.

The Powder Puff Beauty Salon will be closed from September 9 to September 17. The owner, Mrs. Hedwig Chinn accompanied by Mrs. John Brogan will leave Sept. 8 for a vacation trip through the east.

Mr. and Mrs. P. L. Mutch, of As-pinnwall, Pennsylvania, and Miss H. Buck, of Brookfield, Illinois, were guests of the Ziervogel family at their home at Lake Marie for the holidays.

Miss Ellen Conley, of Winnetka, is visiting her sister, Mrs. S. R. Johnson, and family this week.

Mr. and Mrs. Harry Larson and Mr. and Mrs. John Strelka, of Chicago, spent Labor Day holidays with Mr. and Mrs. R. E. Gaston.

Joseph Patrovsky, Jr., son of Mr. and Mrs. Joseph Patrovsky of this city, left Thursday for Colorado Springs, Colo., where he expects to spend several weeks.

Mr. and Mrs. Otto Klass, Mr. and Mrs. Joseph Patrovsky and Mr. and Mrs. Jerry Sebesta, of Cicero, Illi-nois, attended the Elkhorn fair Mon-day.

Clear Forestland
Approximately 12 million acres of original timberland in Illinois has been cleared for agriculture.

Fact and Scripture

"Make a joyful noise unto the Lord, all ye lands.

Serve the Lord with gladness: come before his presence with singing.

Know ye that the Lord he is God: 'tis he that hath made us, and not we ourselves; we are his people, and the sheep of his pas-ture.

Enter into his gates with thanksgiving, and into his courts with praise: e thankful unto him and bless his name.

For the Lord is good; his mercy is everlasting; and his truth en-dureth to all generations."

Psa. 100.
